### **Teacher Summary Title One**

Pacific Heritage Academy is an equal opportunity school for all who attend. We provide personalized learning to all students regardless of their socioeconomic status or performance. Courses are provided for students who may need remediation.

Students are placed into their grade appropriate classes through random selection. Pacific Heritage Academy requires all teachers to meet state teaching and endorsement requirements to be highly qualified in their teaching fields. Pacific Heritage supports teachers working towards these requirements through the various state approved agencies.

A handwritten signature in black ink, appearing to read "Sheena Alaiasa".
